## Things you should know:

We provide two photographers on your special day.

The price includes an initial consultation and for us to attend the rehearsal, so that we know the flow of the day. We ask that you come to our office in Auckland to collect the photos, as this keeps our costs down. Photos will be ready for collection approximately one month from the wedding date, unless advised otherwise.

You will receive digital negatives as part of the package price, no additional cost will be applied. We like to handle re-print requests, as substandard printing reflects poorly on our work. The price we charge per print is slightly more expensive but the quality is superior to most mini labs.

Options for albums are available and are tailored to suit your needs.

\*\* Prices are subject to change without prior notice. Additional travel costs may be incurred and final package price will be confirmed at time of booking.

There is a \$600 deposit required to secure your date. Balance required no later than one month prior to your wedding date. Payment can be made by cash or bank transfer to 12-3084-0198926-00. Please include your name as a reference if using internet banking.
